THIS COURSE HAS BEEN BOTH, INFORMATIVE & HUMBLING. IT ALLOWED ME THE SPACE TO RECONNECT WITH MY VICTIM(S) & UNDERSTAND JUST HOW SEVERE & DEEP MY SELFISH IMPACT HAS HAD ON THEM & HOW ENDLESS IT SEEMS BEYOND ANY POSSIBLE COMPREHENSION I CAN FATHOM. IT OPENED MY EYES & MORE IMPORTANTLY, MY HEART TO FEEL THE PROFOUND PAIN I INFLICTED ON MY VICTIM(S) AND PAVED THE WAY FOR ME TO SEEK BEING THE BEST VERSION OF MYSELF TO SLOWLY AMEND WITH SINCERE REMORSE.

Thank you!

The experience I had while taking the "Understanding Risk of Violence Certificate Course" was very insightful in getting the insight of what the risk of violence looks like according to your perspective and what is expected of me in preparing for board, psychological evaluations, what the commissioners & psychologists (F.D.A) looking for in granting me suitability for parole - etc... Overall, the course was helpful to me in striving to be the productive & responsible man I am today.

I learned much more than I ever thought I would.  
I attended a top-rate college but we never covered topics  
similar to the information and knowledge I gained while  
completing this course. Even smart people have behavioral  
issues that can lead to their own ruin. It is great to  
have an understanding of the available tools to deal  
with ~~to~~ our own deficiencies and recognize how to ~~to~~  
avoid actions that produce awful and damaging results.
